

LEGACY OF THE TUNDRA

Including other award winning films of Paul-Anders Simma
Let's Dance & The Story of Arctic love.

The films on this DVD

Legacy of the Tundra.

17-year old John-Andreas is forced to take a decision about his future when his father dies of cancer. Should he follow the Saami tradition and become a reindeer herder? On his decision depend the livelihoods of his mother and his younger siblings

The Story of Arctic love

lisko-Matti is a young snowmobile mechanic who has fallen hopelessly in love with Aletta, the daughter of a wealthy reindeer breeder. Under any normal circumstances, lisko-Matti wouldn't have the faintest chance... but luck is on his side.

Let's Dance!

Lassi is living in a small village in the wilderness. It's in the middle of the winter, with darkness and snow everywhere. Yet one day flowers bloom in the snow-drift, and the icy wind turns warm. How full of wonder and magic is first love to a twelve year-old!

The following language versions included

Director Paul-Anders Simma grew up in a nomad family in Lapland. The films on this DVD all have a close connection with the Saami culture and the new generation of Lapland.
